The Danish government has imposed control of all Danish borders effective from March 14th 2020 due to the outbreak of the novel corona virus.

Please find information about the current restrictions regarding entry into Denmark at <https://en.coronasmitte.dk/rules-and-regulations/entry-into-denmark>. The website also shows information about the relevant documents that foreigners are advised to bring in order to document their purpose in Denmark.

Please note that the Danish authorities do not issue any pre-approvals for entering Denmark. Instead, we refer to the information about the current restrictions listed on our website.
